\$270 FOR LIBRARY

The Father Lacombe Chapter T.O.D.E. recently presented the St. Albert Library with a cheque for \$270. This was made

possible by the Chapter's April project "Bouquets for Books". This is now the second year for this venture and it is hoped it will be an annual event. Certainly our local library needs and appre-

ciates the donation.

Highlights of Council Meetings May 28 & June 8

St. Albert Development & Engineered Homes
A meeting between Town and the above men-

tioned showed that all parties concerned are seriously trying to solve the recent problems regarding further development of the Grandin Park area. It is expected that St. Albert Development will produce a proposal either to the Town or to Engineered Homes.

Glenview Subdivision Council authorized the proceeding with the agreement for the development of the Glenview Subdivision (Weber Bros. & McLochlin) as prepared by the Town solicitors.

Group Home for Children Council approves in principle to provide a group home for children in St. Albert as requested by the Department of Public Welfare. The home will accommodate 8 girls in the 12-14 age group. No decision was made as to where this home could be located.

Texaco Service Station Texaco Ltd. appealed against the decision of the Development Officer regarding a service stat-

ion at the corner of Highway #2 and the dead end of Salisbury Avenue. Dr. Skrobot moved that this proposal be approved subject to approval of the Edmonton Regional Planning Commission. This motion was carried. At the June 8th meeting, a petition against this decision was presented to Council by Mr. Conway on behalf of the residents on Salisbury Ave. and surrounding area. Mr. Reynolds spoke on behalf of the Texaco Co. Ltd. There was great confusion regarding maps of this area. The petitioners map indicated that Salisbury was a dead end, but the map used by Town officials showed it with access to Highway #2. Mayor Veness suggested that before Council made any decision they would have to find out which map was shown to the petitioners and which map the town was using. This was brought in a motion by Councillor Stewart and carried. The petitioners will have another chance to meet Council regarding this matter.

Service Station & Drive In Dairy Bar The north east corner of the Edmonton Road and Highway #2 will become a busy corner in the future. Council had already approved in principle the building of a service station and on June 8th, they also approved the establishment of a Drive In Dairy Bar.

Recreation Board Mr. Rene Kambouroff informed Council by letter that he can't accept his appointment as member of the Recreation Board. Mrs. Merle Vacirca (Cherchez la Femme) was appointed in his place.

Semi Detached Dwellings A petition was presented to Council at the June 8 meeting from residents in the Gainsborough Ave. and Grosvenor Blvd. area opposing the building of semi-detached dwellings in their area. The petitioners were of the opinion that their properties would be devalued if more semi-detached dwellings were built in their area. Mr. Russell speaking on behalf of the petitioners mentioned that he knew at least four builders who were willing to build single houses in this area. Mr. Tanguay on behalf of Weber Bros. who are interested in building these semi-detached dwellings, was of the opinion that the price of land could be far too high for single dwellings. Council decided to investigate this matter by asking different builders if they would be interested in building single houses (55 ft. frontage lots; instead of the semi-detached dwellings (36 ft. frontage). A report of this investigation will be given at the next Council meeting.

Civic Holiday Bylaw 22/64 proclaiming August 3rd to be Civic Holiday had its third reading and was approved.

Appointment of Enumerator Mrs. Barbara Williams was appointed Enumerator for the purpose of preparing the Voters List

PARENTS,

WATCH YOUR CHILDREN!

During one of our regular conversations with our local police officer, Sgt. Lyndon, we discovered that the closer the holidays, the more children are running over the streets. Sgt. Lyndon urged all parents to watch that their children don't use the streets for playgrounds. We know that our town doesn't have enough official playgrounds for all our children, but we suggest that the children use the grounds surrounding each of the school grounds, which is better than the street where a serious accident can happen. Even though the Recreation Board's budget will be very small this year, the Board should still think deeply about this problem and how we can solve it. But without the co-operation of parents this problem will never be solved, not even if we have 50 playgrounds! There is also another problem with the holidays approaching. Many kids are running about the town destroying not only gardens, but, as happened some weeks ago, breaking the windows of many cars on Jasper Auto Parts lot to the value of \$4000. Parents should make a point of knowing where their children are playing, and should educate them to respect other peoples property. Last week we wrote about the newly planted trees being destroyed and we are pleased to mention that more and more adults are now watching for this type of vandalism. We all want to have a clean and neat community, but we need the 100% support of everyone for this. Please help your town to become a nice place to live. Don't leave your responsibilities as parents on the shoulders of others. This is not only unfair to them, but it is also the shortest way to delinquency.

From Our Readers

Dear Sir,
I am in full agreement with Mrs. T. Geary who wrote in your "Letters to the Editor" last week regarding our Swimming Pool. I too, was at the Ratepayers meeting in January for nearly four hours, and it seems to me, we all wasted our time. Whatever became of the plebiscite for the pool? Also the \$22,000.? It was voted and passed that if the \$22,000 couldn't be used for our pool, the money was to be used to purchase a steel cover for the hockey rink in Sturgeon. And the money had to be used by the end of March. So what happened? Do we get a swimming pool in St. Albert or don't we? Granted, if it is too expensive for a closed in pool, let's start with an outdoor pool and build on to it when finances will allow. I hope someone can come up with an answer, and soon too!

Yours truly,
Mrs. R. Yeats

STURGEON HEIGHTS SCHOOL NAMED

The Protestant Separate School Board has announced that the name of the new school being built in Sturgeon Heights will be "Leo Nickerson Elementary School".

In temporarily departing from the practice of naming schools from early Canadian history, the Board wishes to give recognition to a man of our own community who devoted his life and in the final act gave it for our young people.

It is planned to have an official stone laying ceremony at the Leo Nickerson School on Wednesday, June 24th, at 8 p.m. Mrs. Leo Nickerson has graciously accepted the Board's invitation to be guest of honour and lay the corner stone.

NEGOTIATIONS— TO CONTINUE

The Board of Industrial Relations has ruled that the St. Albert teachers should continue to meet the Protestant Separate School Board together with the Deputy Minister of Labour in an effort to resolve the dispute. It is expected that this meeting will take place early next week.

Mr. Peter Owen, Counsel for the teachers examined several witnesses on behalf of the teachers. The witnesses examined by Mr. Owen included Mr. Hugh Doherty, Alberta Teachers' Association negotiator, Mr. Jack Bauman, Chairman of the teacher committee, Mr. Ronald Harvey, Trustee and Mr. George Walker, Trustee.

Mr. John Hill, Counsel for the School Board examined on behalf of the Board, Dr. W. Guts, Mr. James Dobbie, Trustees, Mr. Roy Usher, Chairman and Mr. Henry G. Armstrong, Secretary together with Mr. A. Wilks of the Alberta School Trustees' Association.

In his summation on behalf of the teachers Mr. Owen stated that there was no collective agreement. He claimed, however, that the parties had reached agreement, and pointed out that the terms of this agreement were contained in a formal agreement which the teachers had drafted and signed. Mr. Owen asked the Board of Industrial Relations to direct the School Board to sign this agreement. The Alberta Teachers' Association's Counsel concluded that the School Board was divided on this issue and stated that the teachers should not continue to suffer because of this.

Mr. John Hill, Counsel for the School Board cited cases from B.C., Sask., and Ontario to prove his contention that negotiations were in progress until the completion of a collective agreement. Mr. Hill asked that the teachers be directed to continue negotiations and that a Conciliation Board be established if necessary. The evidence was reiterated which proved that if the Alberta Teachers Association document was signed St. Albert would have the highest teachers' salaries in the province and St. Albert has one of the lowest per pupil assessments.

AIR FORCE DAY

Sunday, August 23 will be Air Force Day at RCAF Station Naino. The Air Transport Command Station will hold the only Air Force Day in Alberta this year. Group Captain William K. Carr, command-

ing officer at Naino, says, "Although we regret the loss of the RCAF Golden Hawks we plan our normal 90 minute air show and anticipate a crowd approaching last year's. The Air Force's new jet trainer the Tutor, will be introduced and the RCAF Red Knight will now be able to perform his full 12 minute show of solo aerobatics instead of being restricted to seven minutes."

SECOND ANNUAL CONCERT

The public is cordially invited to attend the Second Annual Concert of the St. Albert United Church Choir next Sunday evening at 8 p.m. in the Church. The program will open with "Jesus, Joy and Treasure", a cantata by Duteau, with soloists Jane Shepherd, soprano, Richard Leggett, tenor, and Douglas Peterbridge, bass.

Three anthems by Eric Tazewell, who has gained prominence by other contemporary composers, will highlight various church festivals. Thanksgiving, Christmas, Pentecost. Some of the best heard of these anthems are Derrick Carter, Richard Leggett, Cyre Kelly, Margaret Tazewell, and Doug Tazewell. The choir will be assisted by a program by guest artist, Mr. Cameron Ross,

baritone. Cameron has grown up here in St. Albert and is presently on the teaching staff of St. John's School. A student of Catherine Williams, he plans to continue his vocal studies in London, England this September. Cameron will sing arias by Bart from the Magnificat and the St. Matthew Passion. Following the recital, a coffee hour to which all are invited will be held in the lower hall.

Don't miss the St. Albert United Church Choir Concert, under the direction of William Upright, organist, at 8 p.m. this Sunday in the United Church.

CLUB NOTES

The Burning Bush Circle of the Presbyterian Church held their monthly meeting recently at the home of Mrs. Lowrie, 6 Seymore Cres.

It was decided not to continue with the Psalm study but to select something more simplified for use in the Fall. Anyone with suggestions for the fall program is invited to call Doreen Hannah 599-6016 or Susan Vander Straten 599-7676. The circle will not meet again until Sept.

Once a week, come rain or shine, for 10 months of the year, the guides meet. But if it were not for the selflessness of women like Sylvia Nickerson this would not be so. Sylvia has worked in the guide movement for many years and is the captain of the 4th St. Albert Guide Company. She spends many hours planning and organizing projects for her 'girls'. She makes time to test and teach girls in her own home. The result is of course, a very enthusiastic bunch of guides in the 4th Company. Sylvia has 5 children, both her girls following 'Mom' in guides. Even so, she finds time to work for many worthwhile fund raising canvasses.

At the recent general meeting of the St. Albert Catholic Women's League, Mrs. Bernard Bourgeois, Council President, gave her report on the Diocesan Convention which was held in Lloydminster. Also attending the convention from St. Albert were Mrs. Neil M. Ross and Mrs. Raymond Rouault.

The ladies decided that they will aid the members of the C.F.M. in the management of the Lacombe Center which is located at the Rectory. This center makes clothing available to needy families. Mrs. C. Gallant announced that the Squirrel Camp will be held from July 1-5 at Lake St. Anne. Any lady wishing to assist at the camp is asked to contact Mrs. Gallant.

The next regular meeting will be held on the first Monday of September.

Many spectators attended the annual Cadet Inspection Ceremonies at Grandin Shoppers Park, on Thursday, May 28.

FILM PROGRAM SUNDAY, JUNE 14 3 P.M.

Escape This film indulges in some playful lampooning of the self-deluding tactics of the "escape artist". We are shown how clever many people are at running away from reality.

Explosives - A Construction Aid A demonstration of a few of the many ways in which explosives may be used in construction engineering.

Marshland Pasture How marsh areas along the Bay of Fundy in Nova Scotia were reclaimed for hay crops and pasture. The film shows how tide gates, a sluiceway and dikes were constructed on the Shepod

River to block salt sea water from otherwise fertile land.

La Fleur et la Ruche Si l'abeille se nourrit des fleurs, en retour elle en assure la pollinisation. Le film explique le processus de la reproduction des plantes, le rôle des abeilles dans la pollinisation en plus de donner des explications extrêmement intéressantes sur la vie de l'abeille à l'intérieur de la ruche.

Une Main Amicale Ce film souligne l'importance du travail des bénévoles dans le retour à la vie normale de certains malades mentaux. Il montre comment les cours de danse et de musique, les jeux et même les soins de beauté donnés par ces bénévoles dans les hôpitaux psychiatriques peuvent favoriser la guérison des malades.
